

The Fall

The Weeknd

Verse 1

You been pickin my voice to dance to
You say my money no good in here
Even though I didn't ask you
And it's the most you've worked
Even though I probably don't deserve this girl
But you been dreaming for this moment so you have to
Baby, it's OK

I got show money baby
I wanna show you how I blow money baby
I wanna show you how I throw money baby
I'm a kid, so it's hard for me to hold money, baby
Cause I'm a star, don't get it twisted
Got some choppers on the car
What kind of caps I got the finest of them all
Somebody pop em before we pop em all
before we pop em all

Hook

Saying this ain't nothing, but it's all I need
And the peak ain't reached but the peek is all I feel
And it feels so good
It feels so good x4
I ain't scared of the fall x4
I've felt the ground before x4
cus i aint scared of the fall

Verse 2

Mama I understand why you're mad
And it hurts to accept what I am
And how I live
And what I do
But I've been good since Thursday
Yes I've been good since Thursday
So you can watch my love vanish
In a girl with no talent
But to make mula vanish
Got a friend for my friend
And her friend's name's Lexis
I let my nigga's test it

her morals worth a cent
Best believe already spent it
My girl full of BC
My cup full of Texas
Flown on that OVO jet, yeah I said it
I was forced to be wreckless
I was forced to make records
So you ain't gotta ask "who's next?"
Saying this ain't nothing, but it's all I need
And the peak ain't reached but the peek is all I feel
And it feels so good
It feels so good x4
I ain't scared of the fall x4
I've felt the ground before x4
cus i aint scared of the fall
