

Seventeen

Winger

Yey I saw sparks fly, from the corner of my eye

When I turned, it was love at first sight

I said please excuse me, I didn't catch your name

Oh it'd be a shame not to see you againAnd just when I thought she was comin' to my door

She whispered sweet and brought me to the floor, she saidI'm only seventeen (seventeen), but I'll show you
love like you've never seen

She's only seventeen (seventeen), daddy says she's too young, but she's old enough for meCome to my place,
we can talk it over, oh everything going down in your head

She said take it easy, I need some time, time to work it out, to make you mineAnd just when I thought she was
comin' to my door

She whispered sweet and brought me to the floor, she saidI'm only seventeen (seventeen), you ain't seen love,
ain't seen nothing like me

She's only seventeen, seventeen yeah yeaYes! Such a bad girl, loves to work me overtime

Feels good (ha), dancin' close to the borderline

She's a magic mountain, she's a leather glove

Oh she's my soul, it must be loveShe's only seventeen (seventeen), I used to give her love, like I've never seen

She's only seventeen (seventeen), daddy says she's too young, but she's old enough for me (seventeen)

She's everything I need (seventeen), daddy says she's too young

But she's old enough, old enough for me
