To Talk To You

Pj Harvey

Oh, Grandmother
How I miss you
Under the earth
Wish I was with you
To talk to you
To talk to you
I found somebody
Tried to give myself to
Many a times
I wanted to talk to you
If I laid on the earth
Could you hear?
Oh, Grandmother
I?m so lonely
All my life
If I laid on the earth
Could you hear?
If I lay
Mary
