

# Blame It on Mom

**Johnny Thunders**

Well maybe your Mother never told you  
Maybe your Father's too kind  
Well I'm gonna tell you baby  
I think it's just a waste of time  
Oh baby waste my time Well baby baby what do you know  
I think it's time to go  
All the things that you say  
Baby it's the other way  
Oh leave me alone  
I wanna go home\*repeat Oh baby waste my time...(repeat)
