

Your Love

Erik Santos

your the one that never let's me sleep
To my mind, down to my soul you touch my lips
You're the one that i can't wait to see
With you here by my side I'm in ecstasy
I am all alone without you

Refrain:

My day's are dark without a glimpse of you
but now that you came into my life i feel complete
The flowers bloom, my morning shines and i can see

Chorus:

your love is like the sun that lights up my whole word
i feel the warmth inside Your love is the river
That flows down through my veins I feel the chill inside

Everytime i hear our music play
Reminds me of the things that we've been through
In my mind i can't believe it's true but in my heart the reality is you
Cause i am all alone without you

(repeat refrain)

(repeat Chorus 3x)
