

# Say You Won't Let Go

**JAHBOY**

I met you in the dark, you lift me up, you make me feel as though, I was enough, we danced the night away, we  
drank too much, I held your hair back when, you were throwing up. Then you smiled, over your shoulders  
For a minute I was stone-cold sober  
I pulled you closer to my chest,  
And you asked me to stay over,  
I said I already told you,  
I think that you should get some rest. I knew I loved you then, but you never know cause i played it cool when I  
was scared of letting go,  
I knew I needed you, but I never showed, but I wanna stay with you until we're grey and old.  
Just say you won't let go  
Just say you won't let go I wake you up with some, breakfast in bed,  
I'll bring you coffee with a kiss on your head,  
And I'll take the kids to school,  
Wave them goodbye,  
I'll thank my lucky star,  
Just For that night. When you looked over your shoulder,  
For a minute I forgot that I'm older,  
I wanna dance with you right now. (Oh)  
And you look as beautiful as ever,  
Swear that everyday you'll get better,  
You make me feel this way somehow. I'm so in love with you,  
And I hope you know,  
Darling our love is more than worth it's weight in gold,  
We've come so far my dear,  
Look how we've grown,  
And I wanna stay with you,  
Until we're grey and old.  
Just say you won't let go  
Just say you won't let go Just say you won't Let go  
Just say you won't let go
