

Control

Desperate Journalist

I'm so happy we're here
Just excited to be here
Please don't listen to them, dear
I'm sure you've had a great year

Are we cutting the dead weight?
Are we scaring them all straight?
What a fantastic road rage
Darling, go fill up your plate

I can't hold
I can't control
Oh, oh, oh no

Open the vein
I'll cut the reins
It's like a hole in the head
A thoroughbred

A perfect service your lips need
I consider a fine breed
And the blood in me's calling
I can feel myself falling

And you're making me do this
You are making me do this
I was driven to this
This voluptuous abyss

I can't hold
I can't control
Oh, oh, oh no

Open the vein
I'll cut the reins
It's like a hole in the head
A thoroughbred

Open the vein

I'll cut the reins
It's like a hole in the head
A thoroughbred

I'll cut the reins
Like a hole in your head
A thoroughbred
