

Don't Go To Strangers

[Etta Jones](#)

Build your dreams to the stars above
But when you need someone true to love
Don't go to strangers, darling, come on to me
Play with fire till your fingers burn
And when there's no place for you to turn
Don't go to strangers, darling, come on to me
For when you hear a call to follow your heart
You follow your heart, I know
I've been through it all and I'm an old hand
And I'll understand if you go
So make your mark for your friends to see
But when you need more than company
Don't go to strangers, come on to me
