

# Lucy in the Streets With Dimetapp

## Uncle Green

Lucy  
rose again  
Reassembled  
bone and skin  
Took a walk around

With her outsized  
jaw and teeth  
And her hands that  
looked like feet  
Knuckles on the ground

And nobody looked at her  
Or said anything  
Nobody noticed her  
At all.

She went shrieking  
through the streets  
Trying to find some-  
thing to eat  
Found an open door

So she went in-  
side to rest  
In the massive  
multiplex  
Popcorn on the floor

And nobody looked at her  
Or said anything  
Nobody noticed her  
At all.

'Cause they're all so removed  
And they're all so refined  
I guess that no one approves  
So they put her out of mind

Lucy

fell asleep  
But then something  
on the screen  
startled her to wake

Was her hometown  
on the screen  
with the mena-  
cing machine  
Lucy run away!

'Cause no one will look at you  
No one will notice you  
They won't even look at you  
At all.

Because they're all so removed  
Because they're all so refined  
I guess that no one approves  
So they put you out of mind
