

Standing On the Outside

Cold Chisel

Standing on the outside lookin in
Standing on the outside lookin in
Oh-oh, I never strayed outside the law
Standing on the outside lookin in
Room full of money and the born to win
No amount of works gonna get me through the door
When I go walkin down Bluewater Bay
Surface in the city at the end of the day
Oh-oh, I got a bad case of the benz
Standing on the sidewalk you can see
Somebody everybody wants to be
They got the means to justify every end
I had a friend broke through illegally
Pulled a job on a small-town T.A.B.
Five grand down on her own piece of Eden
And I know . . .
And I know . . .The first thing I do when I get into town
Is buy a twenty-two and cut the whole thing down
No amount of works gonna buy my way to freedomIm on the outside lookin in
Standing on the outside lookin in
Oh Yeah!Standing on the outside lookin in
Standing on the outside lookin in
