To the Bag

Wintertime

[Intro]
All of a sudden everybody in 3017, alright
I'm the only one in 3017, stop it[Hook]
I've been racing to the bag, designer on me with the tags
Louis bag full of racks, you know I'm not the one to care
I started the wave like splash, you ride the wave, Six Flags
Niggas tried to steal the flow (phonies)
So I stole it right back (facts)
I've been racing to the bag, designer on me with the tags
Louis bag full of racks, you know I'm not the one to care
I started the wave like splash, you ride the wave, Six Flags
Niggas tried to steal the flow (phonies)
So I stole it right back (facts)
[Verse]
I've been racing to the bag (for sure)
Wakin' up jet lagged (for sure)
I've been countin' up the blues (I'm sad)
Add it up, simple math (explain it)
I've gotta keep this shit stacked (I'm on it)
Your favorite rapper stealin' swag (be honest)
Niggas tried to take the flow (oh really?), so I took it right back (oh really?)
Should've saw the shit comin' (like Raven)
Winter you know how I'm comin' (I'm slidin')
Winter you know how I'm slidin' (I'm ridin')
On the block like Drummond
They copycattin' all my words (copy)
Jocked the way that I converse (juggin)
Then turn around and wanna work (guess what)
Guess what, two bands for the verse (ya dig)
How they talkin' 'bout okay, alright?
This shit really not okay, alright?
Played it back I said that can't be right
Guess that I'ma have to copyright it
You ain't nothing but a copy writer
Your favorite rhymer is a dick rider
Stealin' swag and y'all plagiarizing
I'm the source that they non citing
My sources told me that they are bitin'
You rap niggas is some gay niggas

Talkin' bout that's my brother 'n them, how you boys and you've never met?
Am I the only one who see this shit?
Then they wonder why I disappear
I've been runnin' up a bag or two, I do me and you do you
Keep that funny shit away from me
Boy couldn't pay the fee now he finna hate on me
Wintertime I'm still a Truey fiend, sorry that I'm not a hypebeast
They can't quite do it like me, that's the reason they don't like me
Could've played for the Knicks, no Spike Lee
You ain't been kickin' shit, no Jet Li
Been makin' plays like an athlete (run it up)
Wintertime I could've won the ESPY
Just 'cause you rap fast man that shit don't impress me
I got water on me like a jet ski (soak it up)
How you ballin' but you in the D league? (da na na)
Wintertime I could've been in D1 (da na na)
3017 where I really be, niggas really sound like my Mini-Me
Been had the juice, no Minute-Maid (get it right)
Only ice here, no lemonade (lotta ice)
Winter kick shit, no MMA (it's not a fight)
You boys funny like Kevin James
What you gonna do with that strap Cheddar Bob?
What you gonna do with that strap Cheddar Bob?
Me and broke niggas we do not get along
Me and broke niggas we do not get along
[Hook]
I've been racing to the bag (ok), designer on me with the tags (all right)
Louis bag full of racks (ok), you know I'm not the one to care (I swear)
I started the wave like splash (I swear), you ride the wave, Six Flags
Niggas tried to steal the flow (phonies)
So I stole it right back (facts)
I've been racing to the bag, designer on me with the tags
Louis bag full of racks, you know I'm not the one to care
I started the wave like splash, you ride the wave, Six Flags
Niggas tried to steal the flow (phonies)
So I stole it right back (facts)[Outro]
I've been racing to the bag, wakin' up jet lagged
I've been countin' up the blues (I'm sad)
Add it up, simple math
I've gotta keep this shit stacked
Your favorite rapper stealin' swag (be honest)
Niggas tried to steal the flow, so I stole it right back
I've been goin' through the mall (like Raven)
Lotta cash was involved, a lot of cash was involved
Damn, I just might blow it all (I'm posted)

I've been goin' through the mall (like Raven)
Lotta cash was involved, a lot of cash was involved
Damn I might just blow it all (guess what)
Damn I might just blow it all
