Whatever It Takes

ELAN

I'll make you believe
that you're here for me.
I'll make you want to be
every single inch of me.
'Cause I got something you don't
and you'll do whatever it takes.
And you'll never abort
this mission you never paid.Took you on a tour
but you never undestood.
I showed you what I do
but you said you never could.'Cause I got something you don't
and you'll do whatever it takes.
And you'll never abort
this mission you never paid.So take what you need.
Say what you please.
Make me believe,
you got what I need.
You just don't see.
So just fall asleep.
Whatever you dream,
you can blame it on me.I'll make you believe
that you're here for me.
I'll make you want to be
every single inch of me.'Cause I got something you don't
and you'll do whatever it takes.
And you'll never abort
this mission you never paid.So take what you need.
Say what you please.
Make me believe,
you got what I need.
You just don't see.
So just fall asleep.
Whatever you dream,
you can blame it on me.
