

# All Around the World

Justin Bieber

You're beautiful, beautiful, you should know it  
(You're beautiful, beautiful, you should know it)  
I think it's time, think it's time that you show it  
You're beautiful, beautifulBaby what you doing? Where you at, where you at?  
Why you working so shy? Holdin' back, holdin' back  
We're not the only ones doing it like that, yeah, like that  
So DJ bring that, bring that, bring that, bring that back'Cause all around the world people want to be loved  
Yeah, 'cause all around the world, they're no different than us  
All around the world people want to be loved  
All around the world, they're no different than us  
All around the world(All around the world)You're crazy girl, crazy girl, you should know it  
(You're crazy girl, crazy girl, gonna show it)  
Light it up, light it up, so explosive  
You're crazy girl, yeah, yeahBaby what you doing? Where you at, where you at?  
Why you working so shy? Holdin' back, holdin' back  
We're not the only ones doing it like that, yeah, like that  
So DJ bring that, bring that, bring that, bring that backAll around the world people want to be loved  
Yeah, all around the world, they're no different than us  
All around the world people want to be loved  
All around the world, they're no different than us  
All around the worldYeah  
Once again, the dynamic duo's back at it  
J-B, Luda!  
I love everything about you  
You're imperfectly perfect  
Everyone is itching from beauty  
But you're scratching the surface  
Lost found is never found  
Can the DJ please reverse it?  
In lights we pay for change  
Let's make every second work it  
Any day can work it if you're working with people saying  
You don't deserve it and don't give in  
'Cause hate may win some battles but love wins in the end  
You shine just like the sun while the moon and the stars reflect your light  
Beauty revolves around you  
So you like that?All around the world people want to be loved  
All around the world, they're no different than us  
All around the world (all around the world, people want to be loved)

All around the world (all around the world, they're no different than us)

All around the world (all around the world, people want to be loved)

All around the world (all around the world, they're no different than us)

All around the world
