

I Still Miss Someone

Johnny Cash & Willie Nelson

At my door the leaves are falling
A cold wild wind has come
Sweethearts walk by together
And I still miss someone I go out on a party
And look for a little fun
But I find a darkened corner
Because I still miss someone Oh, no I never got over those blues eyes
I see them every where
I miss those arms that held me
When all the love was there I wonder if she's sorry
For leavin' what we'd begun
There's someone for me somewhere
And I still miss someone
