Ten Thousand Fists

Disturbed

Survivor
SurvivorOne more goddamn day when I know what I want
And my want will be considered tonight, considered tonight
Just another day when all that I want
Will mark me as a sinner tonight, I'm a sinner tonight, yeahPeople can no longer cover their eyes
If this disturbs you then walk away
You will remember the night you were struck by the sight of
Ten thousand fists in the airPower unrestrained dead on the mark
Is what we will deliver tonight, deliver tonight
Pleasure fused with pain this triumph of the soul
Will make you shiver tonight, will make you shiver tonight, yeahPeople can no longer cover their eyes
If this disturbs you then walk away
You will remember the night you were struck by the sight of
Ten thousand fists in the airWe are the ones that will open your mind
Leave the weak and the haunted behind
We are the ones that will open your mind
Leave the weak and the haunted behindWe are the ones that will open your mind
Leave the weak and the haunted behind
We are the ones that will open your mind
Leave the weak and the haunted behindPeople can no longer cover their eyes
If this disturbs you then walk away
You will remember the night you were struck by the sight of
Ten thousand fists in the airTen thousand fists in the air
Ten thousand fists in the air
