

The Creeps (Get On The Dancefloor)

Freaks

Lately
Been thinking 'bout you, baby
Now everything is crazy
And I confess you're freaking me
I'll wait and see So come on in
And get right underneath my skin
I've got a little feeling
I know exactly where you've been
Lost and sick Now that we've got it
Get on the dancefloor
We're gonna rock it
'Cause that's what we're here for You were a creep
And you've been keeping it nasty
But now you want it
And you're ready to ask me You're looking sexy
I think I want to take a bite
There's something going on tonight
So tell me, is it black or white
Wrong or right? Now that you've got it
Get on the dancefloor
We're gonna rock it
'Cause that's what we're here for So make a move
Before I do something drastic
And hit me up
'Cause baby, you look fantastic I'm here waiting
No hesitating Now that we've got it
Get on the dancefloor
We're gonna rock it
'Cause that's what we're here for Now that we've got it
Get on the dancefloor
We're gonna rock it
'Cause that's what we're here for I'm here waiting
(Yeah, yeah, yeah, yeah)
No hesitating
(Yeah, yeah, yeah, yeah) Now I'm faking
(Yeah, yeah, yeah, yeah)
Do it to me now Now that we've got it
Get on the dancefloor
We're gotta rock it

'Cause that's what we're here for You were a creep
And you've been keeping it nasty
But now you want it
And you're ready to ask me Now that you've got it
Get on the dancefloor
We're gotta rock it
'Cause that's what we're here for So make a move
Before I do something drastic
And hit me up
'Cause baby, you look fantastic
