

Tipsy Dazy

Ziggy Marley & The Melody Makers

Miss Tipsy Dazy you're topsy turvy
Say one minute everything seem fine
Tipsy Dazy you're topsy turvy
The next minute we're in a puss and dog fight
That's not really right Seems as the day grow old
Our love grow cold
Remember you been told
Love can't be bought nor sold Tipsy Dazy you're topsy turvy
Say one minute everything's just right dynamite
Tipsy Dazy you're topsy turvy
Next minute we're in this great big fight
That ain't my style of life
When everything seem secure
I can't just be too sure
'Cause you can wake up one day
Not in love any more
Hey! Remember you've been told
Love can't be bought nor sold
Seems as the days grow old
Our love grow cold Tipsy Dazy topsy turvy saying
One minute everything seem right
Tipsy Dazy you're topsy turvy
Next minute we're in this great big fight
That's not really right
Once more can't say you never been told
Love can't be bought or sold
But it seems as teh days grow
Our heat grow cold
Tipsy Dazy your're topsy turvy
One minute everything just fine really divine
Tipsy Dazy you're really turvy
Next next minute next minute next minute yea
Tipsy, Tipsy Dazy topsy, really turvy
One minute we're in a great big fight
