

All I Want Is You

911

Baby, I've tried, but I can't help myself
Can't disguise the way I feel inside
I'm falling so helplessly, it's true, yeah
I close my eyes and believe completely
That I can feel you touching my skin so tenderly
Come morning light, just the victim of fantasy
Every time I open my eyes
You just disappear; you say goodbye
Baby, I'd do anything to make you mine, oh, it's true
All I want is you
I'll give my heart and soul
All I want is you
I'll be there when you call
All I wanna do is make love to you
All I want is you, all I want is you
I can't sleep 'til the last star leaves the sky
With every beat of my heart, I wanna make you mine
I'm praying you feel the same way, too
Tell me that you hear my call tonight
Only you can bring this dream to life
Baby, I'd do anything to make you mine, oh, it's true
All I want is you
I'll give my heart and soul
All I want is you
I'll be there when you call
All I wanna do is make love to you
All I want is you, all I want is you
All you gotta do is believe
In me, you'll find sanctuary
Just one chance is all I need to prove that you and I
Are forever meant to be
All I want is you....
All I wanna do is make love to you
All I want is you, all I want is you
Baby, I'll give my heart and soul
I'll give my heart and soul
Give my heart and soul
I'll be there when you call
All I wanna do is making love to you

Oh, you know it's true
All I want is you, all I want is you
All I wanna do
I'll give my heart and soul
All I wanna do
I'll be there when you call
All I wanna do is make love to you
All I want is you, all I want is you
