

Seven Seas (feat. Naima SA)

[DJ Ganyani](#)

I know that you must out there somewhere, I've been searching for the longest time, when my heart beats faster i
know that you are near, there's no mountain i won't dare to climb.

(Hook)

Because you oh oh oh are the missing piece oh oh oh the one thing that I need and I'm willing to go to ends of
the earth

(Chorus)

And I will sail the seven seas for you for YOU and I will sail the seven seas for you for YOU, I got to find you i
got to find you baby I got you find you i got find you baby.

There's is nothing that could ever get in my way i will never get till your love, pray the storms and thunder
make through the rain and I won't rest till I find your heart.

(Hook)

Because you oh oh oh are the missing piece oh oh oh the one thing that I need and I'm willing to go to ends of
the earth

(Chorus)

And I will sail the seven seas for you for YOU and I will sail the seven seas for you for YOU, I got to find you i
got to find you baby I got you find you i got find you baby.

And when my journey needs a tent will you be more than a friend my love my everything and will you love me
just the same through the triumphs and pain my heart vibrates

(Chorus)

And I will sail the seven seas for you for YOU and I will sail the seven seas for you for YOU, I got to find you i
got to find you baby I got you find you i got find you baby.
