True

BouclÃ© Bois

Sun come shining through, you are still dreaming
I can hardly believe it I?m here with you
Lying in your arms I hear you breathing
I tried to capture the moment that I share with you
Can this be true?
I belong to you, you belong to me
Can this be true?
I belong to you, you belong to me
Tell me this is true
Drowning in your eyes, your heart is beating
The world outside, it feels so cold but it?s warm here with you
Hours they go by, my love keeps growing
It?s like we live in slow motion, I?m so lost in you
Can this be true?
I belong to you, you belong to me
Can this be true?
I belong to you, you belong to me
Tell me this is true
Can this be true?
I belong to you, you belong to me
Can this be true?
That I belong to you and you belong to me
Can this be true?
I belong to you, you belong to me
Can this be true?
That I belong to you and you belong to me
I can?t believe it?s true
