Everything's Gone

Lydia Loveless

Well, please don't take all the land away, 'cuz I need that now.Well, I need to go somewhere and lose my mind.And please stop telling me turn it down, 'cuz it ain't that loud.And I haven't felt like singing in a long long time.Well, me all night alone, scream and cry over tremolo.Well, I need to get out of the city, tell me when can I go?()By the time I get back will it be all gone?
Where has everythign gone?By the time I get back will it be all gone?
Where has everything gone?Lord, everythign's gone
Everything's gone.Well, I sowre I'd never be this bitter again, but some years have passed.
Well, I guess i lost religion and my piece of mind.I thought I'd be ok without a home if i just had grace.These years I've been away haven't been too kind.Lord, now I'm sick of seeinf the fear in my family's eyes.
I need to find the man who put it there and set id life on fire.()By the time I get back will it be all gone?
I here everythings gone?By the time I get back will it be all gone?
I here everythings gone?Everythign's gone
Everything's gone.If I ever get to go back home
I'm going to go there all alone.Take a walk around that dead-ass town.If I ever get back to where I live
You can bet I won't have to sleep on anything.
I'll find a rich mans hous and I'll buun it down.
I'll burn it down, burn it down.'Cause my daddy built the deck with his own two hands
I guess you didn't really know
There wasn't anywhere else for us to goNow where the horses used to run there ain't nothing left but Amish corn.
Oh, the place where I grew up and my little brother was born.And if I strike it rich again, I'll go and buy it all back
Well I'll drop a bomb on that bitch and watch it turn to ash()By the time I get the money, it will be all gone
Lord, it's already gone
Well, by the time I get the money, it will be all gone
Lord, everything's gone
Everything's gone, everything's gone
Everything's gone, lord everything's gone
