

Devil Mood

Smoke City

Je suis totalement obsÃ©dÃ©e
Doucement s'il te plait
Pourquoi que tu es si mÃ©chant
Mon terribly plus bel enfant
MÃ©chant toi tu es quand je te vois
Je te veux plus que hier
Yeah it's true I want you
You're a bad one through and throughNunca ninguÃ©m me tentou assim
TÃ£o lindo e tÃ£o ruim
Belo anjo, de um lando
E do outro, o diabo
Malandro e anjo estÃ¡ me derretendo
Your kiss is my wish
Take me to your hellI feel in a devil of a mood
Been instilled by the devil
Wicked heart brings me so much pain
And pleasure I can't keep awayJe suis totalement obsÃ©dÃ©e
Doucement s'il te plait
Pourquoi que tu es si mÃ©chant
Mon terribly plus bel enfant
MÃ©chant toi tu es quand je te vois
Je te veux plus que hier
Yes true I want you
You're bad one through and through
You're the devil but you're also an angelI feel in a devil of a mood
Be installed by the devil
We get hot
Mon diable je t'adore
Je t'adore, je t'adore, je t'adore
Oh aie aie aie aie oh oh ohYou're the devil but you're also an angel
Je t'a, je t'a, je t'a, je t'adore
Aie aie aie aie aie oh
You put me in a devil mood
