

# C'Mon People

[Paul McCartney](#)

We've got a future and it's rushing in  
Call all the minstrels from the ancient shrine  
Pass down the message  
That it's right this time Well I'm trying to, yeah I'm crying to  
Lay it on the line  
We're trying to, really dying to  
Get it right this time So many yearning for the way it's gonna be  
Believe it when you see it happening to you  
You know it's real So c'mon people let the world begin  
We've got a future and it's charging in  
We'll make the best of all we have and more  
We'll do what never has been done before Oh yeah  
Oh yeah, oh yeah  
Oh yeah  
Oh yeah, oh yeah Well I'm going to, yeah I'm going to  
Get it right this time  
I'm going to, really going to  
Raise it to the sky I must admit I may have made a few mistakes  
But let's get started, from a party  
Don't you know how long it takes? So c'mon people let the fun begin  
We've got a future and it's rushing in  
Call all the minstrels from the ancient shrine  
Pass down the message that it's right this time Oh yeah  
Oh yeah, oh yeah  
Oh yeah  
Oh yeah, oh yeah C'mon people let the world begin  
We've got a future and it's charging in  
So c'mon people, c'mon, c'mon, c'mon  
C'mon, c'mon, c'mon, c'mon people, oh yeah  
C'mon, c'mon, yeah, c'mon people C'mon people
