

Mr. Little Jeans

The Suburbs

[Verse 1]

In the Suburbs I

I learned to drive

And you told me we'd never survive

Grab your mother's keys, we're leaving

You always seemed so sure

That one day we'd be fightin' in the suburban war

Your part of town against mine I saw you standing on The opposite shore

But by the time the first bombs fell we were already Bored

We were

Already

Already

Bored[Chorus]

Sometimes I can't believe it

I'm moving past the feeling

Sometimes I can't believe it

I'm moving past the feeling, again[Verse 2]

Kids wanna be so hard

But in my dreams we're still screamin and runnin' Through the yard

And all of the walls that they built in the seventies Finally fall

And all of the houses they built in the seventies finally Fall

Nothin at all,

It meant nothin[chorus]

Sometimes I can't believe it

I'm moving past the feeling

Sometimes i can't believe it

I'm moving past the feeling, and into the night[Verse 3]

So can you understand,

Why I want a daughter while i'm still young?

I want to hold her hand

Show her some beauty, before the damage is done

But if it's too much to ask

If it's too much to ask,

Then send me a son

Under the overpass

In the parking lot i'm still waiting

It's already passed

So move your feet from hot pavement and into the grass

Cos it's Already past

Already past[chorus]
Sometimes I can't believe it
I'm moving past the feeling
Sometimes i can't believe it
I'm moving past the feeling, againSometimes I can't believe it
I'm moving past the feeling
Sometimes I can't believe it
I'm moving past the feeling, again.
