

In Your Eyes (acoustic Peter Gabriel cover)

Ben Harper

The morning sunrise spread her wings
While the moon hung in the sky
Held the sea in your hands
And happy ever after in your eyes Couldn't leave you to go to heaven
I carry you in my smile
For the first time my true reflection I see
Happy ever after in your eyes Every star in the night
Promises the dawn
I will be there if you fall
To ever so heavily rest upon All that I can give you
Is forever yours to keep
Wake up every day with a dream
And happy ever after in your eyes
