I Do (cherish You)

Mark Wills

All I am, all I'll be, everything in this world
All that I'll ever need is in your eyes, shining at me
When you smile I can feel all my passion unfolding
Your hand brushes mine, and a thousand sensations seduce me 'cause I
I do, cherish you for the rest of my life, you don't have to think twice
I will, love you still, from the depths of my soul
It's beyond my control, I've waited so long to say this to you
If you're asking do I love you this much, I do
In my world before you, I lived outside my emotions
Didn't know where I was going, 'til that day I found you
How you opened my life to a new paradise
In a world torn by change, still with all of my heart, 'til my dying day
I do, cherish you for the rest of my life, you don't have to think twice
I will love you still, from the depths of my soul
It's beyond my control, I've waited so long to say this to you
If you're asking do I love you this much, yes I do
If you're asking do I love you this much, I do
Oh, I do
