Serenading

El Debarge

This is for the one you love, one you love, one you love
The one you love, one you love, one you love
It's for the one you love
Baby, it says you've dropped down from Heaven,
How else can I explain the making of you?
In all of my life I never met such a girl quite like you,
Knowing that you're not present and my future,
It warms my heart cause I've had myself a rocky past.
But right now I'm all smiles,
And it's you that I owe,
You made it possible!

So I, I'm serenading you,
Straight to ecstasy!
It's where I'm taking you,
Cause you were made for me!
I was made for you!
So I celebrate our love with song,
With song, yeah!

And I'm lovin' how you take me for who I am,
And you ain't try to change me into someone I'm not.
It's a beautiful thing when two people get along,
The way we do!
When I'm grazing my fingers, gently through your hair,
The sweetest melody soft can pop out of nowhere
And it takes full control,
Girl is you that I owe!
You made it possible!

So I, I'm serenading you,
Straight to ecstasy!
It's where I'm taking you,
Cause you were made for me!
I was made for you!
So I celebrate our love with song,
With a love song, yeah!
I'm serenading you,
From night fall until

The sun comes breaking through,
Cause you were made for me!
I was made for you!
So I celebrate our love with song,
With song, yeah, yeah!

Sometimes, gotta get your grown man, get your grown man on
Every now and theÃƒ?Ã‚¢?Ãƒ?Ã‚¦
Gotta get your grown man, get your grown man on
For your lady,
Gotta get your grown man, get your grown man on!
Get it on!

So I, I'm serenading you,
Straight to ecstasy!
It's where I'm taking you,
Cause you were made for me!
I was made for you!
So I celebrate our love with a song,
A love song, yeah!
I'm serenading you,
From night fall until
The sun comes breaking through,
Cause you were made for me!
I was made for you!
So I celebrate our love with song,
Yeah!
This is for the one you love, one you love, one you love!
