

# I See the Light (From "Tangled")

**Mandy Moore & Zachary Levi**

All those days watching from the windows  
All those years outside looking in  
All that time never even knowingJust how blind I've beenNow I'm here blinking in the starlight  
Now I'm here suddenly I see  
Standing here it's all so clear  
I'm where I'm meant to be  
And at last I see the light  
And it's like the fog has lifted  
And at last I see the light  
And it's like the sky is new  
And it's warm and real and bright  
And the world has somehow shifted  
All at once everything looks different  
Now that I see youAll those days chasing down a daydream  
All those years living in a blur  
All that time never truly seeing  
Things the way they wereNow she's here shining in the starlight  
Now she's here suddenly I know  
If she's here it's crystal clear  
I'm where I'm meant to go  
And at last I see the light  
And it's like the fog has lifted  
And at last I see the light  
And it's like the sky is new  
And it's warm and real and bright  
And the world has somehow shifted  
All at once everything is different  
Now that I see you  
Now that I see you
