

Lose Control

Hedley

Can I make a little toast?
Can we get a little close?
Can I get an amen?
Can I get a hell yeah?
Can I get a holy ghost?
Somebody give me a beat
Let me see you on your feet
Somebody save your man
I don't give a god damn about the beat, the beat Catch me if you can
I don't think you understand where we're going
(Where we're going)
When you feel it and you know
When this shit's about to blow
And it hits you
Ooh it hits you like In my body
In my bones
Drop the beat and free my soul
When I hear that rock and roll
Oh my god, I lose control
La la la la, oh oh oh
La la la la, oh oh oh
I had to let it go
Oh my god, I lose control In my body
In my bones
Drop the beat and free my soul
When I hear that rock and roll
Oh my god, I lose control
La la la la, oh oh oh
La la la la, oh oh oh
I had to let it go
Oh my god, I lose control Like a shot to the face
Now you got a little taste
Baby never give a fuck
Get up
Stand up
Shake your buns to the bass
When you break it down
They're gonna love the sound
Everybody just stop

And bring it back around like Catch me if you can

I don't think you understand where we're going

(Where we're going)

When you feel it and you know

When this shit's about to blow

And it hits you

Ooh it hits you like In my body

In my bones

Drop the beat and free my soul

When I hear that rock and roll

Oh my god, I lose control

La la la la, oh oh oh

La la la la, oh oh oh

I had to let it go

Oh my god, I lose control In my body

In my bones

Drop the beat and free my soul

When I hear that rock and roll

Oh my god, I lose control

La la la la, oh oh oh

La la la la, oh oh oh

I had to let it go

Oh my god, I lose control Oh my god, I lose control

Oh my god, I lose control

Catch me if you can

I don't think you understand where we're going

When you feel it and you know

When this shit's about to blow

When it hits you

Hits you like In my body

In my bones

Drop the beat and free my soul

When I hear that rock and roll

Oh my god, I lose control

La la la la, oh oh oh

La la la la, oh oh oh

I had to let it go

Oh my god, I lose control In my body

In my bones

Drop the beat and free my soul

When I hear that rock and roll

Oh my god, I lose control

La la la la, oh oh oh

La la la la, oh oh oh

I had to let it go

Oh my god, I lose control
In my body
In my bones
Drop the beat and free my soul
When I hear that rock and roll
Oh my god, I lose control
La la la la, oh oh oh
La la la la, oh oh oh
I had to let it go
Oh my god, I lose control
Oh my god, I lose control
Oh my god, I lose control
