Somebody Knocking

Robert Plant

Big star, she rise, she warn
Mamma, it ain't long before the day
Red rooster, he crow, he want
Blue moon on the waneOld black snake, he crawlin', slip slidin'
Crawlin' across my floor
Old mule come, he jumpin', he kickin'
Kickin' in my stall
Yeah, yeah, yeahCastin' your spell
Talkin' all out of your head
Yeah, yeah, yeah
Castin' your spell
Talkin' all out of your headCome on, come on, come on
Come on, come on, come onI hear it, 'round midnight
I hear it, somebody knockin' on my door
I hear it, 'round midnight
Somebody knockin' on my doorCastin' your spell
Talkin' all out of your head
Castin' your spell
Talkin' all out of your headCastin' your spell
Talkin' all out of your headCome on, come on, come on
Come on, come on, come on
