

I Got You At the End of the Century

Wilco

Got you and it's all I need
Got you and it's all I need
Got you and it's all I need, got you I got you and I still believe
That you're all I'll ever need
It's you all All the way back in the seventies
You were my little T.V queen
Your Tarzan and your friend Janine, got you I got you and I still believe
That you're all I'll ever need
It's you all It's the end of the century
I can't think of anything
Except you It's the end of the century
And I can't think of anything
But you, all, all I need I got you, I got you, babe
I got you, you
I got you, I got you, I got you
