Pray To You Now

The White Buffalo

How can I leave the past alone?
Now that the end has come along.
I can't right all my wrongs, so I'll put 'em in songs, for now.Say goodbye, to the memories and the fear. Will you lead me upstairs to the light? With my shadows and greys, and my evil ways.Well I pray to you now, I don't know how. It ain't in my heart, is it too late to start?So long, to the body and the bones.
They ain't much use to me now.
If my faith isn't blind will I be left behind?Well I pray to you now, I don't how.
It ain't in my heart, is it too late to start?What's behind the final curtain?
I can't be certain I'm right.
All I know is I'm really hurtin'.
I'm on my knees tonight.
Well I pray to you now, I don't know how. It ain't in my heart, is it too late to start?
Well I pray to you now, well I don't know how.
It ain't in my heart, is it too late to start?
