

Gonna Get Along Without You Now

[Skeeter Davis](#)

Uh huh, hmm hmm
Gonna get along without you now
Uh huh, hmm hmm
Gonna get along without you now You told me I was the neatest thing
You even asked me to wear your ring
You ran around with every girl in town
You didn't even care if it got me down Uh huh, hmm hmm
Gonna get along without you now
Mhm mhm, hmm hmm
Gonna get along without you now Got along without you before I met you
Gonna get along without you now
Gonna find somebody who is twice as cute
'Cause you didn't want me anyhow You told everybody that we were friends
But this is where our friendship ends
'Cause all of a sudden you even changed your tune
You haven't been around since way last June Uh huh, hmm hmm
Gonna get along without you now
Got along without you before I met you
Gonna get along without you now So long my honey, goodbye my dear
Gonna get along without you now Uh huh, hmm hmm
Gonna get along without you now
Got along without you before I met you
Gonna get along without you now So long my honey, goodbye my dear
Gonna get along without you now
