Stay With Me

Lorraine Ellison

Where did you go when things went wrong baby?
Who did you run to
And find a shoulder to lay your head upon?
Baby wasn't I there?
Didn't I take good care of ou?
No no, I can't believe you're leaving me
Stay with me baby
Please, stay with me baby
Ooh, stay with me baby
I can't go on
Who did you touch when you needed tenderness?

I gave you so much
And in return I found happiness
Baby what did I do
Maybe, maybe I was too good, too good to you
No no, I can't believe you're leaving me
Stay with me baby
Ooh, stay with me baby
Ooh, please stay with me baby
Remember you said you'd always gonna need me

Remember you said you'd never ever leave me
Remember, remember, I'm asking you, begging you, ooh, ooh
Stay with me baby,
Please please stay with me baby
Stay with me baby
I can't go on
Ooh stay with me baby
I'm begging you, stay with me baby
Stay, stay, stay with me baby...
