

Sick Boy (Social Distortion Cover)

[MxPx](#)

Sick boy in his faded blue jeans, sick boy
Black leather jacket seen, sick boy
Always in trouble with the law
Don't you know? Owayo, sick boy He carries a switchblade knife, sick boy
Likes to get into fights, sick boy
He'll go drinkin' with the boys
All night long, owayo, sick boy Naa naa naa naa, sick boy
Owayo, sick boy
Naa naa naa naa, sick boy
Owayo Sick boy, he rides a big motor bike, sick boy
He combs his hair up just right, sick boy
With tatoos up and down his arms
Don't ya know? Owayo, sick boy He's got a girl wrapped around his arm, sick boy
With his street-like charm, sick boy
He'll hang out with her all night
Don't you know? Owayo, sick boy Naa naa naa naa, sick boy
Owayo, sick boy
Naa naa naa naa, sick boy
Owayo, sick boy Such a sick boy
We're all sick boys
I'm a sick boy
Naa naa naa naa naa naa
