

# I Wouldn't Be A Man

Billy Dean

There's a slow moon rising,  
It's shining on your skin.  
And the way about it moves me.  
I know there's no holding back, no holding back. I wouldn't be a man if I didn't feel like this.  
I wouldn't be a man if a woman like you, was anything I could resist.  
I'd had to be from another planet where love doesn't exist.  
I wouldn't be a man if I didn't feel like this. I can feel passion flowing,  
As you fall into my arms,  
And the secret way you touch me,  
I know there's no holding back, no holding back. I wouldn't be a man if I didn't feel like this.  
I wouldn't be a man if a woman like you, was anything I could resist.  
I'd had to be from another planet where love doesn't exist.  
I wouldn't be a man if I didn't feel like:  
Rose me baby whole nightlong,  
Soul to soul baby all night long. I'd had to be from another planet where love doesn't exist.  
I wouldn't be a man if I didn't feel like this. Baby, baby please.  
Go easy on me. I wouldn't be a man, no
