Crazy For You

Ft. Nb Ridaz Have you ever met somebody that will love you like I do

I'm going crazy, crazy for you

and have you ever loved somebody that would give it all for you

I'm going crazy, crazy for you I've always been by myself

lived life by myself

never cared for solitude

just cared for the wealth

steady stackin

never slackin

with no time to be wastin

while these other dudes chasin broads

I was chasin their paper

but then (but then) came you (came you)

and it was over baby

I was going crazy for you

and I ain't felt this way in a minute

and I ain't gonna lie to you ma

this shit I'm starting to dig it for real

everything about you is what I like about you

I go crazy and I lose my mind

trade my world and I'd give my life cuz it feels so right and every day you make it clear that you don't want to be

replaced

just by them little things you do, just by them little things you say

five years done past and we done went through some drama

from court dates to miscarriages to you losing your mama

but now (but now) I see (I see)

that you're my one and only

baby oh I'm going crazy

I can't eat (I can't eat) I can't sleep (I can't sleep) no more, no more

it's like I toss and turn at night

memories ease my pain

I keep hearing you laughin, screamin, callin my name

then my eyes open wide

and I see you ain't there

then the joy from the music turn to a permanent tear of ink

my only sanity in these walls

is just the thought of you
paradise up in my mind
just for a second or two
but then it's gone
and I gotta go too
because I changed my ways ma
I'm coming home to you, for real
