Stir the embers

Theocracy

A supernatural visitation of the highest order
Reanimation of the flame once blazing
Somewhere along the way we lost the spark of passion to replacement
Complacent
AmazingGlimpse of Heaven
Reclaiming glory raining down
We once were
Anointed
Appointed
A broken crownFalling down below
Walk with me, I'll never be the same again I know
Bring down fire from the sky
Take the ash of sin
Turn our hearts from slumber back again
Again
We cry
Come and stir the embersA broken spirit of the ways of man
Forever paved with sorrow
A new awakening, arise today
No waiting for tomorrowFalling down below
Walk with me, I'll never be the same again I know
Bring down fire from the sky
Take the ash of sin
Turn our hearts from slumber back again
Again
We cry
Come and stir the embersSolo: ValFalling down below
Walk with me, I'll never be the same again I know
Bring down fire from the sky
Take the ash of sin
Turn our hearts from slumber back again
Again
We cry
Come and stir the embersRead more:
