bottomless

Set Adrift

I took a dive into your eyes and I was in a sea
Of deep blue green emotion
Now in my dreams it often seems that you are movin' me
Like tides are movin' the oceanMy heart hears you callin'
And I feel that I'm fallin'Into a love that's deeper than blue
A bottomless love
Into the dreamy deep with you
Bottomless loveAnd as we lie I feel that I am floatin' in a stream
Of clear crystalline feelin'
I want to wade into your waves and let them wash me clean
To hold you is so healin'My heart hears you callin'
And I know that I'm fallin'Into a love that's deeper than blue
A bottomless love
Into the dreamy deep with you
Bottomless loveMy sorrows washed away like rain
The lonely simple joys remain
Holy bliss, bottomless loveInto a love that's deeper than blue
A bottomless love
(Dream)
Into the dreamy deep with you
Bottomless loveInto a love that's deeper than blue
A bottomless love
(Dream)
Into the dreamy deep with you
Bottomless loveDream, woah oh oh
(Bottomless love)
Fallin'
(Bottomless love)
Picture of a dreamy deep with you
(Bottomless love)
Fallin'
(Bottomless love)
Yes, I've fallen, I've fallen, I've fallen in love with you
(Bottomless love)
Fallin'
(Bottomless love)
Woah oh oh
(Bottomless love)
Fallin'

(Bottomless love)
Ahh [Incomprehensible]
(Bottomless love)
Fallin'
(Bottomless love)
Ahh [Incomprehensible]
(Bottomless love)
Fallin'
(Bottomless love)
