Bag It

Peaches

We wrap it, and then we bag it
In a tight little package and there you have it
Or else we sack it, do you want to sack it?
All right, let's sack it
We wrap it, and then we bag it
In a tight little package and there you have it
Or else we sack it, do you want to sack it?
All right, let's sack it
I'm a little ambitious, and I want my wishes
So I gotta fuckticious, Sid Vicious, doing all my dirty dishes
I'm a little ambitious, and I want my wishes
So I gotta fuckticious, Sid Vicious, doing all my dirty dishes
You go extreme, when you get with me
Do you know what I mean?
You go extreme, when you get with me
Do you know what I mean?
You go extreme, when you get with me
Do you know what I mean?
You go extreme, when you get with me
Do you know what I mean?
Baby, get in and jump me
Or baby, get out and dump me
Baby, get in and jump me
Or baby, get out and dump me

I'm a little ambitious, and I want my wishes
So I gotta fuckticious, Sid Vicious, doing all my dirty dishes
I'm a little ambitious, and I want my wishes
So I gotta fuckticious, Sid Vicious, doing all my dirty dishes
You go extreme, when you get with me
Do you know what I mean?
You go extreme, when you get with me
Do you know what I mean?
You go extreme, when you get with me
Do you know what I mean?
You go extreme, when you get with me
Do you know what I mean?
Baby, get in and jump me
Or baby, get out and dump me

Baby, get in and jump me
Or baby, get out and dump me
Baby, get in and jump me
Or baby, get out and dump me
Baby, get in and jump me
Or baby, get out and dump me
We wrap it, and then we bag it
In a tight little package and there you have it
Or else we sack it, do you want to sack it?
All right, we'll sack it
