

Blue Night

Michael Learns to Rock

Lately you have been asking me
If all my words are true
Don't you know I'll do anything for you Sometimes I haven't been good to you
Sometimes I've made you cry
And I am sorry for everything But I promise you girl
I promise you this When the blue night is over my face
On the dark side of the world in space
When I'm all alone with the stars above
You are the one I love So there's no need to worry girl
My heart is sealed for you
And no one's gonna take it away Cos' I promise you girl
I promise you this When the blue night is over my face
On the dark side of the world in space
When I'm all alone with the stars above
You are the one I love Your voice is calling to me in my dreams
My love is stronger than it's ever been
