

Here We Go

Chiddy Bang

Here we go, here we go, here we go, here we go
Here we go, here we go, here we go, here we go
Here we go, here we go, here we go, here we go
Here we go, here we go, here we go, here we go

Here we go

Them other rap dudes ain't near me though

This that shit for your stereo

Hit Louis Vuitton, yeah we go

Back atcha, spectacular

Flip shit round here, no spatula

The way they bite my shit like Dracula

And if the shawty fine then I get back to her

And I love this game like Mario

But my flow is just like cardio

Intensive, offensive

And they ask why your belt expensive

They can't see me even if they had lenses

Top lonely, give a fuck about friendses

'Cause I'm a lonely stoner, pop Corona

College dropout, no diploma

Here we go

If you feel the heat in the kitchen

Or just washing dishes

Or dancin' for tuition

With the big dreams and wishes

Don't stop to listen

Just keep tryin' to get it

'Cause you gon' get there

Put your hands in the air and say

Here we go

Here we go, oh, oh, oh, oh, oh, oh

Here we go, oh, oh, oh, oh, oh, oh

Here we go, we go, we go, uh, oh, oh

Here we go, oh, oh, oh, oh, oh, oh

And I think I have the last laugh

And I pass class

Told them I was done with it

'Opposite Of Adults', let's have fun with it

I'm a genius and so is Xaphoon

Stay up, nocturnal shit, raccoon
Rap soon, holla at you later

They say we bout to blow up, Al-Qaeda
And this trap was just a favor
That turned into a classic hater
I run rap like a master dater
You take forever to make a procrastinator
Blind niggas can't see shit
And he a story of Victoria Secret
That's only if she keep it
Never mistake conness for weakness

Here we go
If you feel the heat in the kitchen
Or just washing dishes
Or dancin' for tuition
With the big dreams and wishes
Don't stop to listen
Just keep tryin' to get it
'Cause you gon' get there
Put your hands in the air and say

Here we go
Here we go, oh, oh, oh, oh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
Here we go, we go, we go, uh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
A hater tried to stop me on my way, today
I got to get my, ooh, get out the way
My way, my way

Here we go
Here we go, oh, oh, oh, oh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
Here we go, we go, we go, uh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
Here we go, we go, we go, uh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
Here we go, we go, we go, uh, oh, oh
Here we go, oh, oh, oh, oh, oh, oh
