Lady

Mando Diao

Don't you stumble turning your head upside down
And don't get the feeling that I've been dreaming here all alone
Sell the new dimension to my pal he's in need of help but i'm so busy
Teach me how to loose my friends and give me the sign of love cause
I won't leave
leave my own lady
I won't leave no no leave my own lady
Don't you get her tuning her turning her down

and don't get the feeling that I've been telling lies to my dad
Sell the new dimension to my pal he's in need of help but I'm so busy
teach me how to loose my friends and give me the sign of love cause
I won't leave
leave my own lady
I won't leave no no leave my own lady
But the new world is bad and don't you know my new world turns to melodies
Get up now and feel that little love on sunday hey hey hey hey hey hey hey oh
yeah alright come on come on come hey yeah alright get up get up and get down
