Say, my love, I came to you with best intentions You lay down and give to me just what I'm seeking Say love, you drive me to distractionOh Helena, do you believe That we might last a thousand years? Or more if not for this, our flesh and blood It ties you and me right up, tie me downOh well, celebrate we will Ooh cause life is short but sweet for certain Hey, we're climbing two by two To be sure these days continue Things we cannot changeChange, why would I want to change it?Hey, Helena, you came to me like wine comes to this mouth Grown tired of water all the time You quench my heart and oh you quench my mindAnd say, celebrate we will Cause life is short but sweet for certain Hey, we're climbing two by two To be sure these days continue Things we can [incomprehensible]Let's celebrate (Celebrate we will) Oh you and me (Climbing two by two) Climbing two by two (Climbing two by two) To be sure these days continue Things we cannot change Change, changeOh Helena, I came to you with best intentions You lay down and give to me just what I'm seeking Say love, watch me celebrateCelebrate we will Cause life is short but sweet for certain Hey, we're climbing two by two To be sure these days continue Things we can [incomprehensible](Celebrate we will) (Climbing two by two) (Climbing two by two) (To be sure these days continue) Things we cannot change
