

# Make It A Part

## Further Seems Forever

Take second chances  
Everyone deserves it  
Though only some  
Take in forgiveness  
Everyone deserves it  
Though only start to  
Let it rise  
Let it fall  
Let it climb  
Let it crawl on me  
Let it live  
Let it die  
Let it laugh  
Let it cry on me  
Make it a part of who we are  
So much left worth living for  
Make it a part of you and me  
So much left for us to see  
Make it a part of every turn  
So much left for us to learn  
Make it a part until the end  
So much left to learn again  
Love is coming  
Love won't let you die alone  
Love is coming  
Love won't let you try alone  
Love is coming  
Love won't let you cry alone  
Love is coming  
Love won't let you die alone
