

# Hurt a Nigga Feelings

Gucci Mane

Ha, it's Wizop

Burr

If Young Metro don't trust you I'm gon' shoot you Re-rock a brick, put it in the press then it gettin' DDT'd  
When I pull with them guns my nig', you know it's COD  
All these diamonds draped all over me, your bitch can't even see  
These exotic fabrics make her wanna suck me off for free  
Back to all these pints stuffed in my house and I don't even drink  
All these anti-depressants, I sell I think that I'm a shrink  
Pop me one of those whatchumacalls and fucked her on the sink  
Baby lickin' up back on my balls, now I can't even think  
They just tryin' to keep up with the kid and ain't been out a year  
Oh, you thought you was on to somethin' man you boys ain't even real  
Metro why you wanna do this tape man you know that they gon' hate?  
Don't compare them lil' boys to me, twenty million out the gate (wop) Coupe a half million, hurt a nigga feelings  
Watch a quarter million, hurt a nigga feelings  
House ten million, hurt a nigga feelings  
I'm up thirty million, hurt a nigga feelings  
Coupe a half million, hurt a nigga feelings  
Watch a quarter million, hurt a nigga feelings  
House ten million, hurt a nigga feelings (sho 'nuff)  
I'm up thirty million, hurt a nigga feelings Found out my friends weren't really my friends  
Not there through thick and thin  
Out the pen, ain't been home two minutes  
I jumped in a Benz  
See the world through my darkly tinted vintage Gucci lens  
Me and mines were like Bonnie and Clyde and we ain't even try pretend  
Niggas hurt 'cause they seen that 'Vert drop top, half a M  
Steppin' out like a Fiji water, sparklin' with gems (burr)  
These are Gucci boots, they cost two stacks man, these are not no Timbs  
I'm so hood, no matter how much I'm still gon' get some rims  
Baby lucky if she leave with me 'cause I don't even care  
Guc' Atlantic just mailed me ten mills and I'm not even near  
If you listenin' to just what I said you might be more aware  
More concerned 'bout the cash you earn and not the clothes you wear  
Wop! Coupe a half million, hurt a nigga feelings  
Watch a quarter million, hurt a nigga feelings  
House ten million, hurt a nigga feelings  
I'm up thirty million, hurt a nigga feelings  
Coupe a half million, hurt a nigga feelings

Watch a quarter million, hurt a nigga feelings  
House ten million, hurt a nigga feelings (it's Gucci)  
I'm up thirty million, hurt a nigga feelings If Young Metro don't trust you I'm gon' shoot you
