

# Put Your Hands on Me

Joss Stone

One, two, three I guess I'm picky with love  
Oh, baby, I give up: it's you I choose  
And don't keep me waiting  
This girl got things she needs to do  
If I was blind, you'll help me see  
If I lost my mind, you'll find it for me  
Speak on it, babe, tell me, what do you need?  
Because sometimes I need you to love me, baby [Chorus:]  
(Put your hands on me, baby)  
Put your hands on me, baby  
You got me flipping  
(Put your hands on me, baby)  
Put your hands on me, baby Can't stop my mind from thinking of ya  
How am I supposed to function?  
Got me feigning for your lips on my kiss all night  
I never want no other lover  
Baby, I'm hungry; I want, and I need  
Bring me your sugar and pour it all over me, baby [Chorus] One taste, I'm tripping  
Up till now my eyes could see  
Touch me once and it's all hazy  
I don't know why, and I don't know how  
But somehow, someway you get me I can't explain, can't comprehend  
The world can reach this very end  
And all our focus is on him  
The way he moves - he found his groove  
There's nothing left to do but  
Tell the world the truth  
'Cause there's now way out  
I love him  
I feel him  
Uh, I'm loving those hands  
Put your hands on me, baby [Chorus] Just kiss me, baby  
Tell me you're mine  
Put your hands on me, baby  
Put your hands on me, baby  
You got me flipping  
One more time  
Put your hands on me, baby  
Put your hands on me, baby

One taste, I'm trippin'  
Just kiss me, baby, tell me you're mine  
Put your hands on me, baby
