

I'll Take Care of You

The Statler Brothers

When you grow tired of bein' pretty when you grow older and pay your dues
When you grow tired of too much living honey I'll take care of you
I'll make good for you I'll take care of you
When you grow tired of bein' young and all your songs are sung
Honey I'll take care of you
When you grow tired of spending evenings placing twilight to the dew
When you grow tired of wealthy people honey I'll take care of you
I'll make good for you...
Honey I'll take care of you
