# Walk With Me

## The Whispers

As I prepare for another day
Not knowing well the things that I might face
I bow my head and begin to pray
These are the words youâ€™ll hear me say
(chorus):
Walk with me Lord
All the way
So I can make it through another day
A closer friend Iâ€™ll never find
I want Jesus, I want Jesus to walk with me.

If you feel that itâ€™s too much for you
And if the sun is out and your skies are blue
Itâ€™s always wise before you start your day
Look up to heaven and begin to pray
(chorus):
Walk with me Lord
All the way
So I can make it through another day
A closer friend Iâ€™ll never find
I want Jesus, I want Jesus to walk with me. (2x)

I want Jesus to walk with me
Set my soul and my spirit free
Walk with me Lord and hold my hand
I want Jesus, I want Jesus to walk with me
Walk with me Lord through the storm and the rain
If the skies are blue or a hurricane
A closer friend I will never find
I want Jesus, I want Jesus to walk with me
( Repeat 1st verse)

I want Jesus to walk with me
I really want Jesus to walk with me
While Iâ€™m on this tedious journey
I want Jesus, I really want Jesus to walk with me
(Repeat 3x to fade)
