

# Mass Destruction (Paul Jackson Big Weapon Mix)

## Faithless

With a long range weapon or suicide bomber  
Wicked mind is a weapon of mass destruction Whether your stowaway's son or BBC 1  
Dis-information is a weapon of mass destruction You could a Caucasian or a poor Asian  
Racism is a weapon of mass destruction Whether inflation or globalization  
Fear is a weapon of mass destruction My dad came into my room holdin' his hat  
I knew he was leavin', he sat on my bed told me some facts son I have a duty, callin' on me  
You and your sister be brave my little soldier, and don't forget all i told ya  
Your the mister of the house now remember this  
And when you wake up in the morning give ya momma a kiss, then I had to say goodbye In the morning i woke  
momma with a kiss on each eyelid,  
Even though I'm only a kid, certain things can't be hid  
Momma grabbed me, held me like i was made of gold, but left her in the story untold  
I said, momma it will be alright, when daddy comes home, tonight With a long range weapon or suicide bomber  
Wicked mind is a weapon of mass destruction Whether your stowaway's son or BBC 1  
Dis-information is a weapon of mass destruction You could a Caucasian or a poor Asian  
Racism is a weapon of mass destruction Whether inflation or globalization  
Fear is a weapon of mass destruction Whether Haliburton, Enron or anyone  
Greed is a weapon of mass destruction We need to find courage, overcome  
Inaction is a weapon of mass destruction  
Inaction is a weapon of mass destruction  
Inaction is a weapon of mass destruction My story stops here, lets be clear  
this scenario is happenin' everywhere  
and you ain't goin' to nirvana or favana  
You comin' right back here to live out your karma  
with even more drama than previously, seriously  
Just how many centuries have we been waiting for someone else to make us free  
And we refuse to sleep, the people overseas are just like we  
Mad leadership, amigos, unfettered and free  
They feed one the people they're supposed to lead, i don't need it  
We need to pray away, for the lord to make it all straight  
Its only now we do it right, 'cause I don't want my daddy, leavin home tonight With a long range weapon or  
suicide bomber  
Wicked mind is a weapon of mass destruction Whether your stowaway's son or BBC 1  
Dis-information is a weapon of mass destruction You could a Caucasian or a poor Asian  
Racism is a weapon of mass destruction Whether inflation or globalization  
Fear is a weapon of mass destruction Whether Haliburton, Enron or anyone  
Greed is a weapon of mass destruction We need to find courage, overcome  
Inaction is a weapon of mass destruction [Repeat: x2]
